

# MY BODY SAFETY RULES

## My body is my body and it belongs to me!

I can say, 'No!' if I don't want to kiss or hug someone.  
I can give them a high five, shake their hand or blow them a kiss.  
I am the boss of my body and what I say goes.

## I have a Safety Team

These are five adults I trust. I can tell these people anything and they will believe me. If I feel worried, scared or unsure, I can tell someone on my Safety Team how I am feeling and why I feel this way.

## Private Parts

My private parts are the parts of my body under my bathing suit. I always call my private parts by their correct names. No one can touch my private parts. No one can ask me to touch their private parts. And no one should show me pictures of private parts. If any of these things happen, I must tell an adult on my Safety Team straightaway.

## Early Warning Signs

If I feel scared or unsafe  
I may sweat a lot, get a sick tummy, become shaky and my heart might beat really fast. These feelings are called my Early Warning Signs. If I feel this way about anything, I must tell an adult on my Safety Team straightaway.

## Secrets

We do not keep secrets in this family. If someone asks me to keep a secret that makes me feel bad or unsafe, I must tell an adult on my Safety Team immediately!
