

ACCESSIBILITY IN AGGIELAND

# ACCESSIBILITY IN STUDENT AFFAIRS

*A must-attend session to help guide the accessibility of your  
events, activities, and materials*

**THURSDAY, AUGUST 10TH**  
**1:30PM – 3:30PM**  
**WEBINAR FORMAT**

During this session, Dr. Kristie Orr and Justin Romack with Disability Resources will share practical tips, strategies, and solutions to make sure disabled participants have equitable access to the programs and resources you develop.

After attending this session, you will be able to:

- Describe common accessibility barriers in programs, events, and resources.
- Identify accessibility best practices to consider when planning, promoting, and hosting events.
- Explain key components of accessible documents for use with your events.
