

Best Practices for Vocational Rehabilitation Counselors

Capacity Building Statewide Conference
Austin, Texas
October 24-25, 2023

#1 - Introduce Yourself:
Your name, position, TWS-VRS
Management Unit, location in
Texas, and number of years as a
Transition Counselor.

#2 - Can you share any challenges you have faced and successful strategies you have used to create and maintain a productive relationship with your school partners, especially when working with younger students?

#3 - How have you effectively promoted Pre-Employment Transition Services to your school partners, younger students and their families? Are there specific methods or resources you have found particularly successful?

#4 - Among the five types of required Pre-Employment Transition Services, which ones do you consider extremely important for younger students and why? Furthermore, could you share which services you have provided to younger students as part of the five required Pre-ETS?

#5 - Could you share examples of successful programs and/or services you have provided in partnership with your school partners? Please highlight some impactful success stories of any younger students who benefited from these partnerships.

Questions?

Thank you!
